(Coauthors: Senators Alquist and Oropeza)**

February 5, 2010

An act to add Section 14025 to the Unemployment Insurance Code, relating to workforce development.

LEGISLATIVE COUNSEL'S DIGEST

SB 956, as amended, Romero. Workforce development: California School Paraprofessional Teacher Training Program.

The federal Workforce Investment Act of 1998 makes funding available to states that offer training and workforce development services through the state and local workforce investment boards. The California Workforce Investment Board, which is the entity responsible for assisting the Governor in the development, oversight, and continuous improvement of California's workforce investment system, is required to recommend strategies to the Governor for strategic training investments of certain discretionary funding made available under the federal Workforce Investment Act of 1998.

Existing law also establishes the California School Paraprofessional Teacher Training Program for the purpose of recruiting school paraprofessionals to encourage them to enroll in teacher training programs and to provide instructional service as teachers in the public schools.

This bill would require the California Workforce Investment Board, *upon appropriation by the Legislature*, to allocate \$5,000,000 of the ~~federal Workforce Investment Act's 15% discretionary funds~~ *Workforce Investment Act state reserve, as provided for by federal law*, to the

Commission on Teacher Credentialing to increase spending for the California School Paraprofessional Teacher Training Program.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
